TiO₂ Technical Datasheet Catalogue

Premium Titanium Dioxide Grades for Paints • Coatings • Plastics • PVC •
Rubber • Inks

High Purity • High Brightness • High Opacity • Global Exporter

DR-2000 — Technical Grade Sheet

Property	Details
Process	Sulphate
Key Advantages	Cost-effective, stable opacity for economic applications.
Primary Applications	<ul style="list-style-type: none">• Economy Interior Paints• Putty & Primers• Low-cost Masterbatch• Rubber Goods• Basic PVC Profiles• Low-opacity Plastic Applications
Performance Notes	Best for cost-focused formulations without weather resistance.

DR-2100 — Technical Grade Sheet

Property	Details
Process	Sulphate
Key Advantages	Improved whiteness, good dispersion & brightness.
Primary Applications	<ul style="list-style-type: none">• Architectural Paints• General Industrial Coatings• Paper Coatings• Medium-quality Plastics• PVC/UPVC Interior Applications• Printing Inks
Performance Notes	Balances cost & performance with improved tint strength.

DR-2200 — Technical Grade Sheet

Property	Details
Process	Sulphate
Key Advantages	Balanced opacity, whiteness, moderate weather durability.
Primary Applications	<ul style="list-style-type: none">• Mid-range Exterior Paints• Weather-tolerant PVC/UPVC• Rubber Compounding• Laminates & Paper• Medium-performance Masterbatch• Industrial Coatings
Performance Notes	Reliable exterior performance for mid-range coatings.

DR-945 — Technical Grade Sheet

Property	Details
Process	Chloride
Key Advantages	Superior durability, gloss & UV resistance.
Primary Applications	<ul style="list-style-type: none">• Automotive Coatings (OEM/Refinish)• High-performance Plastics• Premium PVC/UPVC• Outdoor Masterbatches• Marine & Protective Coatings• Powder Coatings
Performance Notes	Top performance for durability & UV stability.

DR-900+ — Technical Grade Sheet

Property	Details
Process	Chloride
Key Advantages	High brightness, gloss & clean undertone.
Primary Applications	<ul style="list-style-type: none">• Interior Gloss & Semi-gloss• High-brightness Masterbatch• Can Coatings• E-coat Primers• Clear Plastics & Films• High-opacity Industrial Coatings
Performance Notes	Ideal for high-gloss and high-opacity finishes.
